Dear Search Consultant:

Upon the request of Dr. Marvin Jeter, III, I am submitting this letter of professional experience recommendation on his behalf. It is with pleasure that I have the opportunity to recommend a man of his ability, integrity and commitment.

Without reservation I commend him to the Committee/Board as the person who can get the job done. His vision, administrative skills and ability to work with both students and educators make him quite unique. He has a deep personal commitment to the education of all learners. His uniqueness stands out in a profound way with regard to his non-discriminatory views related to race, gender, age or economic status.

Dr. Jeter can and will move a district to excellence given the opportunity.

For additional information, please call.
